## ADULT FRENCH EDUCATION

The goals for each class (adapted for each level of ability) emphasize the following 4 important skills to be gained:

1. Oral Comprehension
2. Written Comprehension
3. Oral Expression
4. Written Expression

Within this framework, students will work on:

- Grammatical points with explanations and application exercises
- Vocabulary
- Phonetics and repetition of different sounds
- Conversation and practice of dialogues between students
- Building knowledge of French culture
